

T100 / T150 OPENERS

MANUAL CHAIN OPENERS

- Applications
Manual Window Control

- Colours
White (RAL 9010)
Black (RAL 9005)
Grey (RAL 9006)

■ T100

- The most popular type of window opener with 250mm opening stroke.
- Can be used on most window types using the appropriate fixing bracket (see page 7).
- Individual or multiple T100 openers can be controlled from a single T250, T200, T210 or T300 operator (see page 17).

■ T150

- Similar to the T100 opener but with 380mm opening stroke.
- Can be used on most window types using the appropriate fixing bracket (see page 7).
- Individual or multiple T150 openers can be controlled from a single T260, T200, T210 or T300 operator (see page 17).
