

HILLSIDE PRIMARY DUNDEE

HILLSIDE PRIMARY

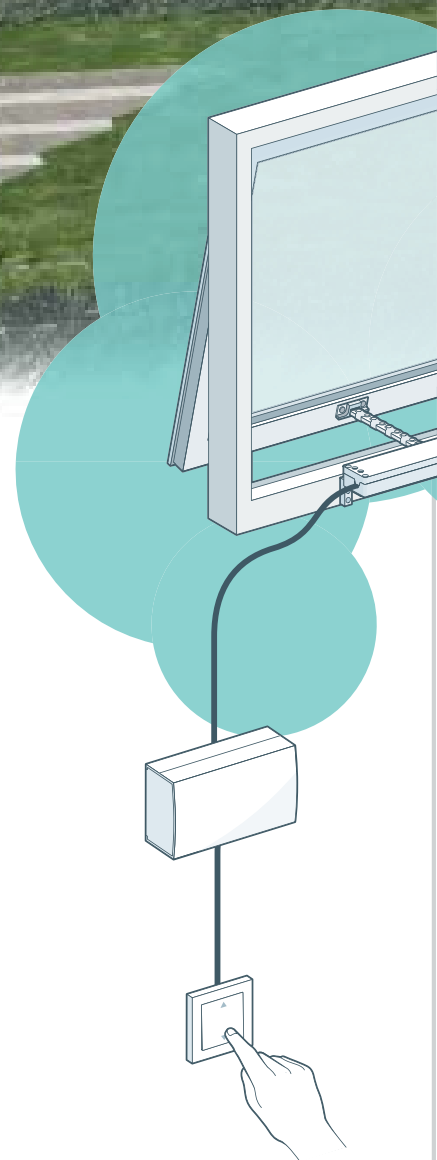

Dundee

Hillside School is a new school campus and community hub for 700 children at Menzieshill in Dundee.

Teal supplied a number of Windowmaster 24v motor controllers and switches for the natural ventilation system.

The WCC 310S/320S motorcontrollers were supplied with interface boards (WCA 3FM) for linking to a BACNet system to automate the windows as part of the ventilation system.

The parts were supplied through a Rexel Electrical Wholesaler and installed by one of their electrical contractors.
