## BARONS QUAY

*Northwich*

Barons Quay is an exciting new shopping and leisure development in Norwich. It features a new Odeon Cinema, M&S and an ASDA superstore and six restaurants for enjoying tranquil waterside views.

7 high level opening vents have been installed in the atrium area above the shopping centre to provide ventilation. The actuators are connected to Windowmaster motor controllers, thermostats and rain sensors to provide an automated ventilation system.

The products were installed by Balfour Beatty.
